

28 children from 16 countries now participating in a first-ever Progeria clinical drug trial

*Thank you to the
10,000 supporters who have helped
PRF to help children with Progeria
throughout the globe.*

*From gene discovery, to
first-ever clinical trial,
and to all of our work to come.*

Together we WILL
find the cure!

*Wishing you a happy, healthy,
& peaceful holiday season.*
