

Join us for our 2007 “Coins to Cure Progeria[®]” challenge!

Here's how you can participate:

- ❖ Accept the challenge to help us raise money for a cure!
- ❖ Email us to request a collection can at coinstocureprogeria@progeriaresearch.org
- ❖ Place the can in your home or office, or ask a local business to host a can.
- ❖ Fill your can daily or weekly with spare change.
- ❖ When can is full, convert coins to bills, check or money order and send to address below.
- ❖ If the can is placed in a local business, check back often with them to collect the change. Put a label on the bottom of the can with your name and phone number so they may easily contact you. It is your responsibility to collect the change from the business.
- ❖ Start all over again – continue to send us your collected change!
- ❖ By continuing to fill a collection can in this way, you can raise over \$300 in one year -- just from spare change!

500 cans have been distributed from April 2006 to March 2007. We raised over \$4000 -- Let's make 2007 our best year yet!

Your coins do add up -- Please help us reach our goal of \$10,000 for 2007!
