ONE OF A KIND LEGO® MURAL SIGNED BY 4 MAJOR BOSTON TEAMS

Created and donated by Master Builders at the toy company's headquarters in Enfield, Connecticut, this priceless piece was created for one of their biggest fans, **Sam Berns**, a child with Progeria who was the inspiration for the formation of The Progeria Research Foundation, as well as the lead in the HBO Documentary film, "Life According to Sam".

In a heartwarming tribute to their biggest fan, all four Boston sports teams depicted have signed the frame: Patriots on top, Bruins to the right, Red Sox on the bottom, and Celtics on the left. The mural is 54" x 39", encased in a 6 inch-frame with the signatures surrounding it. Custom framing by Jim Kelly, Kelly Remodeling, LLC. Certificates of authenticity accompany this unique mural - **a prize piece for any sports memorabilia collector.**
