

The Circle of Hope Society

PRF's Circle of Hope consists of all the research-related programs needed to advance Progeria research and continue our record-breaking pace of progress toward the cure. All of these programs are essential to win this race against time and save the lives of children with Progeria:

- Progeria Clinical Drug Trials
- International Registry
- Cell and Tissue Bank
- Diagnostic Testing
- Scientific Workshops
- Medical & Research Database
- Research Grant Funding

If we keep the CIRCLE intact and all of our programs running at full capacity, our HOPE for a cure becomes a REALITY.

Please join the Circle of Hope Society during the Live Auction, with gifts ranging from \$100 to \$10,000

We look forward to seeing you in the CIRCLE.

Thank you!

In loving memory

of Burt Gordon and Sam Berns

PRF Superheroes, UNITE!

After four long years, we are finally together again, and with so much to celebrate!

FDA approval of a life-extending treatment for Progeria
Breakthroughs in gene therapy and RNA therapeutics that could lead to a cure

Young adults with Progeria getting their driver's licenses, graduating high school and college, and reaching ages we could only dream of when PRF was first founded

The special connection to the families, whose courage and trust in PRF have been key to the research advances

All of YOU, who are deeply devoted to our mission.

Superpowers come from a variety of sources. For me, and for every day for the past 22 years, I have gotten my power to lead the most amazing organization from all of you. Because connecting with thousands of people who just want to help these extraordinary children is the most powerful motivator of all.

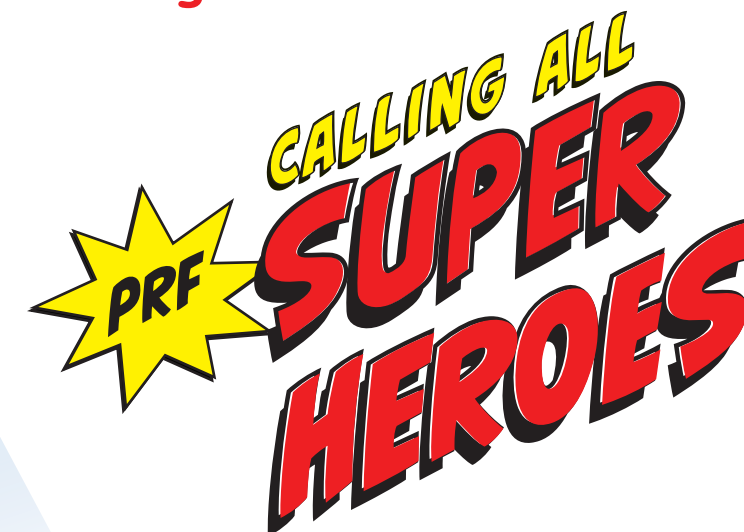

There is a superhero in all of us - we just need the courage to put on the cape. - Superman

THANK YOU ALL for being **kind** enough, **generous** enough, and **courageous** enough to put on the cape.

The Amy Award recognizes those volunteers who have made extraordinary contributions to PRF. It is dedicated to Amy Foose (1969-1985), whose sunny personality and love of life continue to inspire all those who knew her.

This award is given to those who have advanced the mission of The Progeria Research Foundation, by applying the qualities Amy is most remembered for:

A role model for how to live a life of joy and optimism

A good friend, sibling and daughter/son

A person with a sense of humor and positive attitude

Someone who makes the most out of every situation and takes on challenges with grace, hope and determination

Congratulations to Robyn & Tom Milbury!

to
Tom Mathers

... for his tremendous contributions towards finding treatments and the cure for children with Progeria.

Congratulations Tom!

Congratulations on the 2022 Amy Award!

While it has been more than two years since we first found out about the honor, we could not be happier to finally celebrate the award together with family, friends, and most importantly, the entire Progeria community.

To Mom

We know that you are no longer involved in the day-to-day operation of PRF but will always (definitely, always) continue to support Audrey and the rest of the team any way you can.

To Dad

Your involvement in shaping the Cure Cup Classic at Ipswich has been near and dear to your heart and it's been awesome to be a part of. We look forward to avenging our 2nd place finish in 2023!

As the Amy Award suggests, you have been great role models to the community and to us. As the next generation, we look forward to continuing to support the PRF mission and help finding a cure for Progeria.

Love,

Max, Marissa, Sam,
Julia, Nunzio, Madow
and Beasley

There is no greater honor than to help children in need.
We are so proud of you – our SUPERTOM – and all you

Unsung Heroes

The Mission of The Progeria Research Foundation is to discover treatments and the cure for Progeria and its aging-related disorders, including heart disease. Rules of the Auction

GENERAL RULES

1. Auction guests must register upon arriving in order to be eligible to bid. A bid number will be assigned and will be used for the LIVE Auction and the SUPER SILENT Auction.
2. Couples may register together or individually. Those couples who wish to bid separately and have separate accounts must register as individuals.
3. You are financially responsible for all items purchased under this number. PLEASE USE ONLY THE BID NUMBER ASSIGNED TO YOU.
4. A bid is a legal and binding contract to buy. For your convenience this evening, we accept cash, personal checks, and credit cards. Payment in full this evening is required. When you leave, please go to the checkout table to settle your account. You may remove items upon presentation of a paid receipt to the volunteers at the Auction Item Pick-Up area.
5. Values set for items being auctioned are donors' estimates and are not warranted by The Progeria Research Foundation, Inc. for tax purposes or for general value.
6. All auction items and services must be used by the date specified. Please read all accompanying materials carefully. Winners are bound by restrictions specified by the donor. Winners of gift certificates are responsible for their safekeeping and for adhering to all conditions and expiration dates stated therein. Certificates must be presented when the service or item is requested. Some services are subject to availability on certain dates. Neither The Progeria Research Foundation, Inc. nor the donors can replace lost gift certificates.
7. The Night of Wonder Committee reserves the right to remove items from or add items to the Auction.
8. All items must be paid for and removed from the site at the conclusion of the event. For your convenience, Night of Wonder volunteers will be providing assistance in moving large items to your car. Special arrangements for pick up or delivery of large items must be made at the time of payment.
9. The Progeria Research Foundation, Inc., Pat Tully and Pat Tully Inc. assume no risk, liability or responsibility for the use, authenticity or authorship of any items identified in this program. All property is sold as-is. The above-named make no express or implied warranties on auction items other than manufacturers' warranties.
10. The purchaser waives any and all claims of liability against The Progeria Research Foundation, Inc. or the donor, for any reason whatsoever, including, but not limited to personal injury or damages caused by any item purchased in conjunction with Night of Wonder.
11. In all instances, the decision of the Auctioneer is final. The highest bidder acknowledged by the Auctioneer shall be the purchaser.
12. The Live Auction will continue without interruption until all items have been auctioned.

13. To enter a bid, the bidder must raise his or her paddle high and attract the attention of the Auctioneer. This must be repeated for each increase in a bid. Each bid legally obligates the bidder to pay his bid price in full by the end of the evening, if such a bid is deemed the high bid at the fall of the Auctioneer's hammer. THE AUCTION WILL BE FAST-PACED, SO BIDS MUST BE MADE QUICKLY!
14. The high bidder will be acknowledged by the Auctioneer, at which time the high bidder will state his or her bid number. If the Auctioneer determines that an opening bid, or any subsequent bid, is not commensurate with the value of the item offered, he may reject the bid and withdraw the item from sale. In the event of a dispute, the Auctioneer will have sole and final discretion. In the event of a tie between two bidders, the Auctioneer shall have sole discretion to reopen the bidding between them.

CHECK-OUT

Check-out will begin 30 minutes after the close of the Live Auction. This will give our hard-working volunteers time to prepare all the necessary paperwork for an organized and smooth check-out.

TAX DEDUCTIBILITY

To deduct a contribution to a qualified charity (The Progeria Research Foundation, Inc.) under IRS Code Section 170, the contribution must be a gift. Thus, the contributor cannot receive any consideration or anything of value in return. With respect to Night of Wonder.

This means:

- ▶ Cash contributions and Sponsorships: Tax deductible to the extent of the law.
- ▶ Event tickets: Any amount paid above the value (\$135 per ticket) is tax deductible.
- ▶ Auction purchases: The amount paid in excess of the stated value is a charitable contribution.
- ▶ Donated items: A contribution equal to the fair market value of the item, with the exception of donations of vacation properties. For these items, donors should consult their tax professional.

This information is provided as an aid to our patrons. However, the ultimate burden of proof for charitable deductions lies with the taxpayer, not with The Progeria Research Foundation, Inc. If you have questions, please consult your tax professional.

A FINAL NOTE TO OUR GUESTS

Night of Wonder is the culmination of many months of volunteer work, and we know that you will enjoy this special evening. Because the welfare of our guests is of paramount concern, we reserve the right to limit the service of alcohol on an individual basis at any time during the evening and, if the need arises, to arrange for alternate transportation home. Please do not hesitate to ask a friend or one of the Auction Officials for assistance.

Have a great evening and, as always, thank you for supporting The Progeria Research Foundation!
