

## PRF Cell and Tissue Bank Recipients

| Recipient                    | Institution  | Location               |
|------------------------------|--|------------------------|
| H. Erbil Abaci               | Columbia University Medical Center                     | New York, NY           |
| Andrea Ablasser              | Global Health Institute                                | Lausanne, Switzerland  |
| Mansoor Amiji                | Northeastern University                                | Boston, MA             |
| Angelika Amon                | Massachusetts Institute of Technology                  | Cambridge, MA          |
| Stelios Andreadis            | University of Buffalo                                  | Buffalo, NY            |
| Vicente Andrés Garcia        | Centro Nacional de Investigaciones Cardiovasculares    | Madrid, Spain          |
| Gonzalo Arboleda Bustos      | Institute of Genetics, National University of Colombia | Bogotá, Colombia       |
| Muhammad Ashraf              | Augusta University                                     | Augusta, ME            |
| Richard Assoian              | University of Pennsylvania                             | Philadelphia, PA       |
| Ulrich auf dem Keller        | Technical University of Denmark                        | Kgs. Lyngby, Denmark   |
| Yongho Bae                   | University at Buffalo                                  | Buffalo, NY            |
| Sanjay K Banerjee            | NIPER Guwahati   | Guwahati, India        |
| Samuel Beck                  | MDI Biolab   | Bar Harbor, ME         |
| Juan Carlos Izpisua Belmonte | The Salk Institute for Biological Studies              | La Jolla, CA           |
| Samuel Benchimol             | York University  | Toronto, Ontario       |
| Shelley Berger               | University of Pennsylvania                             | Philadelphia, PA       |
| Martin Bergö                 | Karolinska Institutet                                  | Huddinge, Sweden       |
| Enrico Bertini               | Ospedale Pediatrico Bambino Gesù                       | Rome, Italy            |
| Michael Blank                | Bar Ilan University                                    | Safed, Israel          |
| Bruce Blazer                 | University of Minnesota                                | Minneapolis, MN        |
| Joseph Bonventre             | Brigham and Women's Hospital                           | Boston, MA             |
| Demetrios Braddock           | Yale University  | New Haven, CT          |
| Jonathan Brown               | Vanderbilt University                                  | Nashville, TN          |
| Ted Brown                    | Institute for Basic Research (IBR)                     | Staten Island, NY      |
| Mark Burkhard                | University of Wisconsin-Madison                        | Madison, WI            |
| Judy Campisi                 | Buck Institute   | Navato, CA             |
| Antonio Campos de Carvalho   | Federal University of Rio de Janeiro                   | Rio de Janeiro, Brazil |
